✓ Choose your Organization.

Select your **Organization** from the pull down menu (sorted alphabetically or hierarchically), or type part of the Organization name into the search bar and click “Filter”.

Any Organization with your search criteria will then appear in the Organization pull down list, narrowing down your choices significantly.

The screenshot shows a web interface for selecting an organization. It consists of two main sections: "Organization Filter" and "Select Organization".

Organization Filter: This section has a "Search:" label followed by a text input field and a "Filter" button.

Select Organization: This section has a "View list as" label with two radio buttons: "Alphabetical" (selected) and "Hierarchical". Below this is a dropdown menu showing "123 DIV Test Org - Education System". At the bottom of this section are "Previous" and "Next" buttons, and a checkbox labeled "Don't see your organization?".

Below the "Select Organization" section, there is a paragraph of text: "If your organization is not in the dropdown list, please check the box above and click 'Next.' You will be temporarily assigned to the 'PHIN' organization, and the PHIN administrator will contact you regarding addition of your organization to the PHIN."

If you do not find your Organization – click the box that says "Don't see your organization?" and click on **"Next"**. You will be temporarily assigned to the "PHIN" organization, and the PHIN administrator will contact you regarding the addition of your organization to the PHIN.

This screenshot is identical to the one above, but with a red circle highlighting the "Don't see your organization?" checkbox and a red arrow pointing to it. The text below the form remains the same.
